A core nucleus of eleven seniors anchored the foundation of Bates football for years to come. This senior class marks the first recruiting class of Head Coach Mark Harriman. After a slow start the perseverance and character of the 2002 Bobcats was revealed in a dramatic and emotional win over arch-rival Colby. Capping off the CBB championship against Bowdoin, senior 3 time all NESCAC running back Sean Atkins produced a record setting performance worthy of ESPN. Under the leadership of Captains Paul Tenney and Sean Atkins, the team had 5 all-NESCAC selections: Sean Atkins, corner back Pat Boyagi, offensive lineman Jeff Bolduc, defensive lineman Kurt Chapman, and wide receiver Owen Miche. With the three game winning streak in their corner the Bobcats go into the off season with thoughts of climbing the ranks in the NESCAC

Volleyball

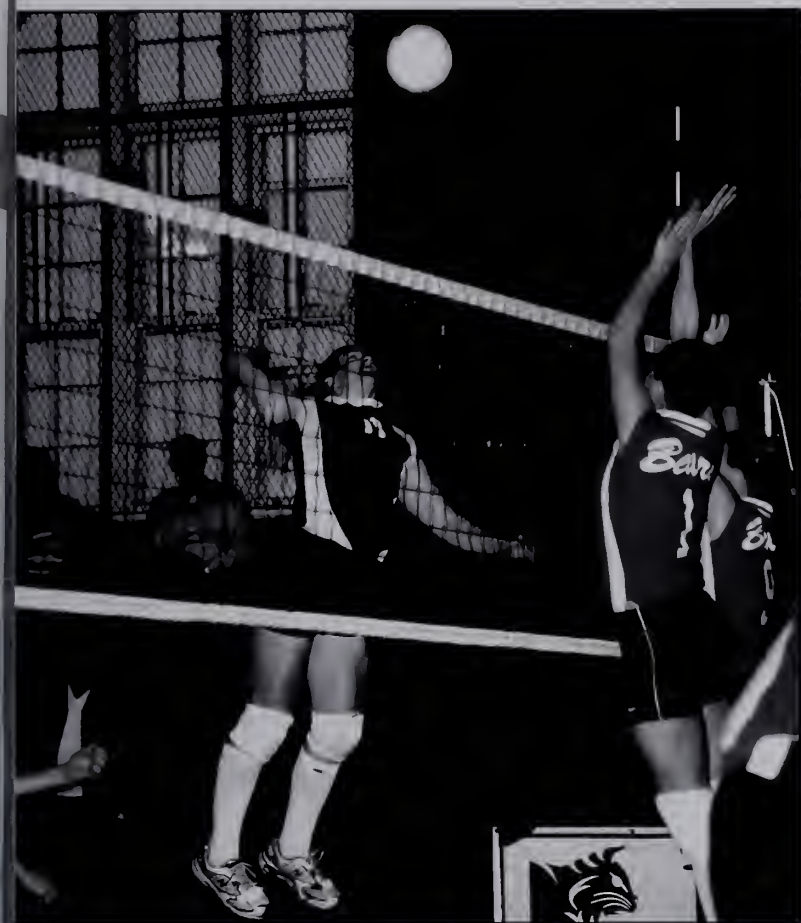

The Bates volleyball team finished the 2002 season with a 25-13 record, the fifth straight season in which they won two-thirds of their matches. The Bobcats reached the semifinals of the NESCAC tournament falling to NESCAC champion, Williams. The heated five-game match was the peak of the Bobcats' season. "Can't be too upset with the way we played. We left it all on the court. Next year Williams will be shaking in their boots," first year defensive specialist Jasmine McDavid adds. Individual team highlights include the selection of outside hitter Liz Wanless and middle blocker Katie Burke to the All-NESCAC team. Burke made the Bates' record books with her game-high 12 blocks in a game against rival Amherst. "Good times had by all," added Nikki.

Back: Assistant Coach Phillip Russell, Angela Knox, Katie Burke*, Elizabeth Blakely, Liz Wanless*, Oliva Zurek, Nicole Scot, Head Coach Jen Bowman.

Women's Soccer

In the 2002 season, the Bates Women's Soccer team went 7-7 (3-6 in the NESCAC), but the record fails to tell the story of this talented squad plagued by injury. Led by seniors Dayle Grande, Kim Martell, Melissa Ostuni, and Krissie Whiting, the Bobcats won all but one of their non-conference matches as well as defeating Trinity, Wesleyan, and NESCAC rival Colby. Bates lost three of their NESCAC games in the final minutes of play, including a 2-1 loss to eventual conference champion Tufts and a double overtime heartbreaker to Connecticut College. Sophomore Katie Carroll led the team in points with 13 goals and two assists, and goalkeeper Kim Martell finished her career with 21 shutouts after setting the school record with six consecutive shutouts in 2001.

Men's Soccer

The 2002 Bates men's soccer campaign produced a final record of 6-6-2. The team came tantalizingly close to great success, with all but one of their six losses decided by a single goal's difference. Frustrating losses at home to Conn College and Colby left the team on the outside looking in at playoff time, a situation that was especially vexing in light of the Bobcats' success against some of the top teams in the country. The apex of the season was the 3-0 victory at Tufts, who at the time were ranked #6 in the country. The 'Cats also posted impressive results in defeating Wesleyan and drawing with Bowdoin. Both teams were at the top of the league and nationally ranked when they faced the Bobcats. The team was led in these games by the veteran leadership of the seven seniors featured in Coach Purgavie's starting lineup. Sweeper and captain Jeff Critchlow's ability to shut down some of the league's premier strikers earned him Second Team All-NESCAC honors. Co-captain Mike Masi's leadership anchored a skillful and exciting midfield. Alongside fellow senior striker Brian Luoma, Nick Macinnis had a standout year on offense, leading the team in both goals and assists.

Rowing

The Men's Rowing program finished a strong spring season by setting a new Bates record at the ECAC National Championships in Camden, New Jersey. The crew climbed the New England rankings from 13th in the first week of racing to 6th in the final week of the season with strong showings at Williams and at WPI in Worcester, Massachusetts. With its strong underclassman and expanding roster the team is sure to set new records in the coming years.

Ranked 18th at the beginning of the season, the Bates women rowed their way to #5 in the Coaches Collegiate Rowing Polls. This successful season included beating #1 ranked Williams on their home turf. Graduating only two seniors this year, Bates women should be strong contenders next year as well.

Field Hockey

This year's field hockey team met with great success. For the first time since (i don't know, longer then I've been here) the team made it to the quarterfinals in NESCAC playoffs. The Senior class had a visible impact on the team. Johie Farrar and Kathrene Tiffany both earned second team All-NESCAC honors. Farrar received her second consecutive All-NESCAC honor while Tiffany picked up her first. Johie Farrar also earned first team regional All-American Honors, while seniors Julia Price, Kathrene Tiffany, and Lindsay Gary earned second team honors. Johie had 30 career goals, and Julia had 22 career assists, which is the all time Bates record. Kathrene anchored the midfield, while classmember Pippi Philp was a hard core defensive player, with a wicked strong hit. Senior goalie Lindsay Gary ended the season with 5 shutouts and overall 82% save average. The Bobcat's first win of the season came against conference foe Amherst, and was quickly followed up with a crusing of Trinity college. The team used this momentum to get them through the rest of the season.

Back: Assistant Coach Becky Woods, Julia Price*, Kathrene Tiffany, Lindsay Gary, Johie Farrar, Pippi Philp, Head Coach Wynn Holt, Assistant Coach Brian Schledorn.

Cross Country

Each of us runs for a different reason, but for ALL of us it's an addiction. Almost everyone came into the season with the important summer running under their belts and everyone came in hungry for a new season. We knew it was a season with potential for qualifying for the NCAA Division III Championships in Minnesota, even though only 4 teams from the New England Region were making the flight. The cards being as they were, a look to the future and the incredible potential of the young core of harriers became the sentiment in the end. An early season trip to New York City's Fordham University, Van Cortland Park, and "Ground Zero" brought our team together in such a way only a trip like that can. Each of the top seven runners brought something special to the varsity team, but from the first to the last man we were a team. We were a team who toed the line together, sweat together, and sacrificed a bit of ourselves for each other. We are forever a team. Thank You Men.

The experience and motivation of the veteran runners mixed with the talents and enthusiasm of the first year class created the perfect combination for a successful 2002 season for the Women's Cross Country team. The Bobcats had early success by finishing as the runner up team in the competitive State of Maine Championships. The team captured a win at the Wellesley Invitational, edging out MIT and Wellesley despite the absence of several key runners. The most exciting achievement for the 2002 squad was its 5th place finish at the NESCAC championship, a remarkable improvement over last year's 10th place finish. This accomplishment was a result of team solidarity and excellent pack running. The Bobcats finished at an impressive 11th place at the ECAC championships, running a strong second team of seven runners. Labeled by Coach Court as her strongest team yet, the Bobcats united to place 8th at the NCAA Regional Qualifying meet. The team was just 23 points shy of qualifying for Nationals. Leading the Bobcats to their finish was Katherine Creswell who earned All Region honors and an individual spot to travel to the NCAA Championship Meet.

Golf

The 2002 golf season was a monumental one. It was the first year in the history of Bates College that the golf team had a full women's roster. The women's team was led by Melissa Wilcox, and was composed of: Natasha Robinson, Dana DiGiando, Caroline Renyi, Melissa Kay, and Meg Green. With a complete slate of players, the women's team was invited to play in numerous championships across the Northeast. The women look forward to continuing the growing tradition of women's golf next year with 5 returning players. The Men's team this year was led by Doug Aho and was composed of Andy Kadin, Tom Hayden, Dominic Lee, Kevin Wells, Mike Hartney, Jeremy Cross, Matt Marshall, and Sam Haas. The men's team had many challenges to face during this last season, and they look forward to a strong season next year. As always, both teams owe much to our dedicated coaches, Peter Lasagna and Bob Flynn. The team also had the pleasure of playing Fox Run in Auburn as the home course this year.

Men's Basketball

The 2002-2003 season was another successful year for the Bates Men's Basketball team. With a record of 16-9, the Cats compiled the second most wins in a season in Bates history. The teams started out strong winning the Coca-Cola Tip-off classic at Rivier College. Early in the season, Senior Co-captain Angelo Salvaggio became the first player to record a triple-double when the Cats routed USM at home 110-77. Later in the year, Co-Captain CJ Neely hit a game winning, buzzer-beating three pointer in double overtime against Colby-Sawyer on route to scoring a career-high 43 points and pulling in 11 rebounds. Buzzer beaters were kind to the team during the season which also saw Brian Gerrity hit a long distance three at the buzzer to defeat Trinity. The cats were also stronger in NESCAC play, tallying a record of 4-5 and making the NESCAC tournament where they would only lose to eventual national champion Williams College.

Swimming & Diving

It is no exaggeration to say that this year's women's swimming and diving season was the best in the 20-year history of the sport at Bates. The 27 swimmers and divers finished their dual meet season with a record of 7 wins and 2 losses, and the title of BBC champions. During the entire season, the women's team crushed 15 different school records (some of them were even beaten multiple times)! At the NESCAC championship in February the team displayed its dominance by placing 5th out of 11 teams. This year, 5 swimmers and 1 diver qualified for the NCAA championships. The team was proud to send swimmer Vanessa Williamson and diver Kara Seaton down to Atlanta to represent them at the NCAA meet. Meg Ferrari, Jill Kopicki, and Melissa Wilcox, 4-year veterans and this year's captains, are sad to see the season end, but extremely proud of the teams' accomplishments. They will miss the team terribly next year, but they look forward to returning to Bates to see their former teammates compete in the coming years.

The '02-'03 Bates College Men's Swimming and Diving Team continued their tradition of impressive achievement and unmatched heart. It's praiseworthy of a team to win, but to achieve through adversity is worthy of emulation. Achieving through such adversity is exactly what this year's Men's Swimming and Diving Team accomplished.

The first half of this season presented obstacle after obstacle which opened the door for the team to lay down in submission. The exact opposite happened, as the team became a tightly knit unit that over-achieved throughout the season. Remarkably unprecedented performances were had by numerous swimmers such as Russ Latham, who dropped more than 20 seconds in his 500 free to swim a 5:13, Todd Bretl, who dropped an entire second in his 100 free to swim a 48.51, Grant Johaneson, who dropped a second and a half in his 100 breaststroke to swim a 1:04.1, and Fisher Qua, who started the season as a freshmen walk-on. The performance of these swimmers was indicative of the attitude which this team showed in the face of this season's adversity. Additionally, there were performances such as those by Adam Bowden who reset his own 100 butterfly, 6th in NESCAC with a 52.39, and 50 butterfly, 23.29 2nd, school records, Dave Bear who reset his own 1000 freestyle, 9:52.71 7th, and 1650 freestyle, 16:27.66 6th, records, and the relay team of Todd Bretl, Dave Bear, Craig Legault and Adam Bowden which set the 400 freestyle relay record, 3:13 7th. This 400 freestyle relay was especially exuberating as it was the last event of the last day of the meet; an appropriate closure for the swimming careers of the two seniors on that relay team, Adam Bowden and Dave Bear. The highest achieving performance on the team came from freshmen diver Erik Baker and senior captain Dave Bear, who both met the provisional NCAA championship standards. Erik took the next step and was selected to compete at the championships, but was prohibited from competition due to a case of Mono. Remarkably, Erik competed at NESCAC with Mono and still placed 3rd on both the 1 and 3 meter boards. A betting man would never have put money on this year's team having a winning record, finishing in the middle echelon of the NESCAC championship meet, or maintained its BBC title. Remarkably, through teamwork and a winning attitude, this team managed to do all three; finishing with a 5-4 dual meet record, 6th out of 11 teams at NESCAC, and forcing a draw in BBC competition to maintain ownership of the title.

The winning tradition of Bates College Men's Swimming and Diving has been developed over the past 5 years, with four 6th and one 7th place finish amongst NESCAC competition, but this year's team went beyond achievement and embodied a mental toughness which enables a championship tradition to develop. The results of this year's teams' actions are not only exemplified by the wins and records set over the past 6 months, but the bright future that Bates College Men's Swimming and Diving holds.

Squash

The women's squash team had another very successful season. We were excited to make it to the finals of our division (b division) at the howe cup for the second year in a row. After a very close match against bowdoin we ended up in second place in our division and 10th place nationally. We had a very strong team this year with a lot of young talent. We were especially excited to welcome Melissa Lue Yen, our midyear recruit from Jamaica.

Last year when Matt Wu and I were named Captain we were pretty nervous because we were losing 3 seniors who played very valuable roles on our 14th place finish in 2001 - 2002 season and we had 6 freshman coming in. We didn't really know the level each freshman was at and we also weren't going to have Chad Mountain there for the beginning of the season (Study Abroad). The freshman were fired up about the season and they were willing to learn and take advice from the older players on the team. The season started off shaky with a loss to Dartmouth before Christmas break and two huge losses to Denison and Williams. However after this the team picked it up and we scored huge wins over Franklin and Marshall, Hobart, and Bowdoin, to place us in 12th place, our highest end of season ranking ever. Enroute to this ranking we beat a Princeton Team that was ranked 2nd in the country. This team underestimated us and sent a weaker team in the first ever Bates vs. Princeton Men's Squash Match and we won. During Nationals we were able to duplicate our best ever 14th placing which proves that we are a very solid Division 2 team. The crowning moment of the season however was when we won the @003 - @003 Team Sportsmanship Award. This award is the epitome of what Bates Squash is about. I would just like to say congratulations to Coach Illig for a great season and Well Done to the Guys on the team that made this the most memorable season in my 4-year career.

Spearheaded by strong upper-class leadership and fresh first-year talent, the indoor track team had one of its most successful seasons in recent years. The throwers continued to dominate the field with Senior captain Jesse Carney taking away All-American honors -in the 35 pound weight. Sophomore Dustin Gauthier missed his chance at nationals by a mere 1/4 inch. Look for him to make his first trip to the big dance soon. Not to be outdone by the throwing team, the runners set their share of records this season. Joey Northrup set a new record in the Pentathlon securing his spot as one of Bates' best all around athletes. A new DMR record was set by Seniors Malcolm Gray and Stephen Gresham, Sophomore Andrius Staisiunas, and Freshman John Bauer. Staisiunas also set the School 1000 mark earlier in the season.

Strong

performances were also turned in by Senior captain Brian Luoma in the triple jump, Junior Jeff "T-Bone" Davis in the weight and shot put, Senior Jake White in the distance events, and Sophomore Greg Whelan and Freshman Jaime Hancock in the 400 and 800 respectively. Sophomore Joel

Anderson also turned in strong performances in the distance events and appears poised to become the next in a long line of great Bates' distance men. With the addition of six-time All-American Senior Captain Justin Easter, look for the Bobcats to continue their success in the outdoor season as they continue their assault on the record books.

Alpine & Nordic Skiing

The Bates Alpine Ski Team began the season with some great results. At the St. Lawrence carnival at Camp Fortune, Canada, the team placed 6th. That race, Sean McKenna and David Baker showed a great performance. The team is a very young team, Megan Friend (other captain) is the only senior on the team. She had a magnificent race at the University of Vermont Carnival, placing 5th on the second run and 13th overall, career best finish. At the same race, freshman Erin Bragg showed the equal qualities finishing 11th. Mentioned before, the team is very young. The incoming freshman look very strong. This will be the third season with new coach Rogan Connell. His recruiting efforts should show for next year's carnival season. It will be great to see the competition that the team will offer next season.

When the snow flies, our hearts dance. When the snow melts, we are happy to see it go - there will be next winter. Skiing is a sport that has changed everyone who has ever done it at the collegiate level. It is a sport that requires more time and effort than most any other. We end up spending so much time together, we're almost a family.

The men and the women saw the beginning of something great this season. Four of the best male skiers in Maine will join the team this coming year, and young faces are all you will see when you look around.

Some amazing strength and leadership will generate from the few more experienced women on the team, but count on some of the younger skiers to grow up fast. Top 20 races, top 10 races, and more winning will be the future of this team within the highly competitive circuit of Colleges and Universities in the East Bates belongs to.

Women's Lacrosse

The women's lacrosse team started off the 2003 season ranked #19 in the country, their first ever preseason national ranking. They traveled to Southern California during February break and returned undefeated after facing some of the west coast's most challenging teams. Unfortunately, the Bobcats were not as successful against their NESCAC opponents as they had been in previous years, especially after losing several key players to injuries. The season was highlighted by Senior Liz Lawler and Juniors Carrie Smith and Lori Jessup reaching the 100-point milestone in their careers, in addition to Sophomore Liz McNamara's impressive first showing as goalkeeper. The team will surely feel the loss of their four influential and dedicated Seniors, Leora Seri, Liz Lawler, Stacy Counter, and Lauren Desiderio, however with 8 Seniors-to-be and many experienced underclassmen returning next year, the Bobcats are sure to regain their status as one of the most threatening teams in the NESCAC as well as in the country.

Softball

The Bates softball team battled injury, snow, and rain to face a formidable schedule in the 2003 season. After a blizzard caused the cancellation of their spring training trip to Florida, the Bobcats learned to take misfortune in stride and improved from the 2002 season through hard work and dedication. Led by seniors Carla Flaherty, Brooke Tardiff, Ginger Walsh and Krissie Whiting, this cohesive unit went 8-17 overall, (2-7 in the NESCAC). Sophomore Erin Foye, Krissie Whiting, and junior Cami Dyson led the squad in hits while Ginger Walsh and sophomore Sarah Klenakis anchored a versatile and consistent defense on the mound. Highlights included sweeps of NESCAC foe Trinity, as well as UMF and St. Joe's.

Baseball

It was another successful yet unsuccessful season for the Bobcats. Although they took a few games from such NESCAC powerhouses as Amherst, Trinity, and Bowdoin, the Bates Bobcats fell one game short of winning the coveted CBB championship. After defeating their Waterville rivals, the Colby Mules, Bates was only able to take one out of three very close games from the Polar Bears of Brunswick. Look forward to next season, when the young Bobcat squad finally reaches maturity with only two senior graduating and several of the younger players returning to improve their numbers. It would not be just to forget to congratulate Ryan Weaver and Billy Karz for their effort in sticking out four long hard seasons with the Bates Bobcats. Although, the four seasons in which they played in were not the most successful, the two seniors endured and have persevered through many games to see themselves only fall one game away from taking the CBB in two consecutive years.

Women's Tennis

Being only the second season with new head coach Paul Gastonguay, the women's tennis team had a quite successful season. With an extremely young team, the Lady Bobcats, led by lone senior, Captain Kelsey Evans, exhibited superb skill and sportsmanship. A major factor in the B'Cats stellar performance is the abilities of Coach Gastonguay to communicate, motivate, and encourage the Lady Bobcats. In fact, Coach Gastonguay was named the NESCAC's Women's Tennis Coach of the Year, which is something the team prides itself on. The other key element is the teamwork and commitment demonstrated through bonding of long van rides, a training trip to Bermuda as well as partaking in off-the-court activities at 218. With a strong young team and incoming recruits, the Lady Bobcats can look forward to bigger and better accomplishments while the only graduating member of the team, Evans, will continue to cheer on the team in hopes of seeing B'Cats make it to NCAA regionals!

Men's Tennis

The 2002-2003 Men's Tennis Team, under Coach Paul Gastonguay, had the most successful season in recent history. For the fourth year in a row Bates returned to the NCAA tournament. As the #5 seed in the East Region Bates won its first round match, upsetting MIT (#4 in the East, #12 in the nation). In the second round Bates faced Middlebury (#1 in the East and #3 in the country) who won the regular season match up 7-0. It went down to the third set of the final match to decide who would move on to the quarterfinals. Unfortunately, Bates would be defeated 4-3. It was a tough one to lose, but the fight and heart that the team played with made it an incredible match to be a part of. By making it to the second round Bates secures a top 16 national ranking, the highest in team history. The team finished with a 7-5 record along with winning the Drew Invitational to start off the spring. In their four-year careers seniors Brett Carty, Alex Macdonald and David Meyer helped the team qualify for the NCAA tournament four consecutive seasons, a feat accomplished by only one other team (Women's Basketball '97-'00) in history.

Coming off of an impressive indoor season, the Bates Men's Track Team had one of its strongest outdoor efforts in recent years. Overcoming a shortened and foul-weathered start to the season, the Bobcats rebounded to re-capture the outdoor state of Maine title with senior captains Justin Easter and Jesse Carney winning the awards for most outstanding track and field athletes respectively. Bates followed up the state victory with a third place finish at the NESCAC championships, only half a point out of second place. The bobcats then followed up a fifth place finish at the New England Division III championships with an impressive 8th place at the Open New England Championships: the highest finish by a division III team. Look for the Bobcats to continue their impressive finishes in both the ECAC championships and the National Championships later this month.

COMMENCEMENT

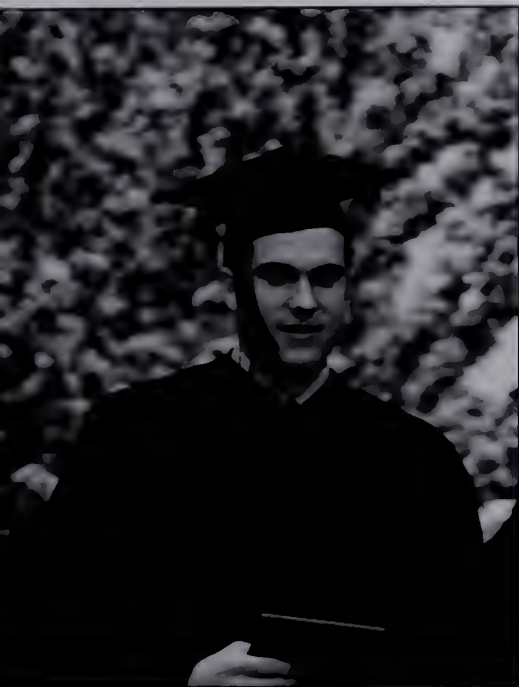

COMMENCEMENT

THE MIRROR

The 2002-2003 year was a trying one for the Mirror. After accepting responsibilities with the understanding that we would be compensated, we realized that it was not going to be that easy. The RA changed its rule last year about paying club officers and so the editors of the yearbook could no longer receive a stipend. We challenged this, but the RA denied our exemption and despite a huge turn out at the RA meeting (thanks guys!) the RA shot down a bill proposed by Pat Quirk to permanently exempt the Mirror from the rule. In the end, the support of great portion of the student body was not enough to convince the RA representatives to choose our side.

As a result, we sought funding elsewhere, and we found it. Terry Beckmann and Bill Hiss decided that the Office of College Relations would house the Mirror budget and that the editors could be paid! We here (and all future editors) owe a great deal of gratitude to Terry Beckmann, Bill Hiss, and Bryan McNulty (College Relations) for all of their assistance in ensuring that the Mirror maintains its level of professionalism.

We would also like to thank Jay Burns and Phyllis Jensen in College Relations. They provided us with many of the great photos you see in this volume (especially sports). Without them, the yearbook would have been hurting!!

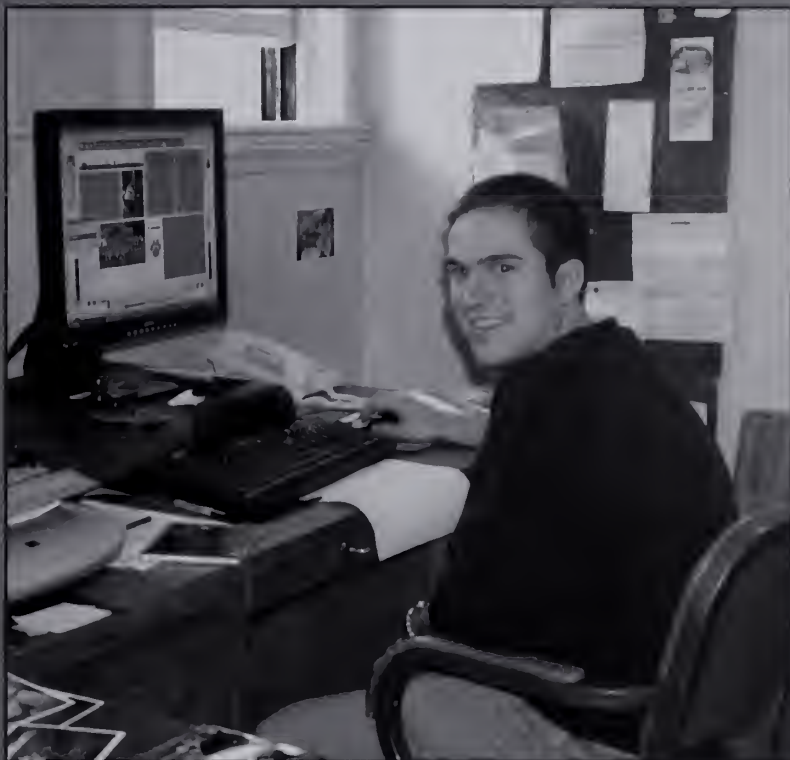

Gene Clough proved to be invaluable to this publication as he has for years. He was always willing to lend a hand and helped guide us in our purchases and plunge into the digital age!! Thank you Gene.

Mark Maserjian was crucial in assuring that we had the largest turn out ever for senior portraits!! His continuous support and providing of a graduation photographer ensured some quality photos! Thank you!

Thank you to the bookstore, especially Sarah Potter for getting us new furniture and Joline Froton for the BJ's card! Everyone at the bookstore made sure the Mirror was a smooth operation.

Thanks to Sue Dionne for keeping track of all our finances!

We owe thanks to Dave and everyone in the mailroom for dealing with all the photos and yearbooks!

Thanks to Susan Murphy in Information Services for getting all of our new equipment quickly and at a great deal!

The seniors and all those who donated pictures deserve special thanks for sharing all of their memories with the entire school!

Thank you to all of our photographers especially Dave Worhunsky, Leslie Shages, Ginger Walsh, and Shirley Wu.

Thanks to Pat Quirk for helping out with odds and ends.

Finally, we would like to extend a great thank you to Cole Harris and Sandy Moses at Jostens. Without them, the book would have gone to shambles. Their patience and professionalism was much appreciated and it was a pleasure working with them!! Thanks!

Good luck to Tory next year!

Editors:
Cate Murray
Tory Peterson
Ian Stevenson

Life After Bates

Welcome to the Universe of Bates Alumni

It's a glorious new world out there — the sky's the limit
for what you can accomplish and experience.

We're here to help you chart your way.
